

EDIT PRODUCT PRICE GUIDELINE

Mã tài liệu: 01.4-DT-MP

CONTENTS

1. Edit price of each product
2. Edit price of product list

1. Edit price of each product

Edit price of each product

Choose Action → Edit Price

Step 1

A dark-themed navigation menu with a 'Product' header and an upward arrow. Below the header are several menu items: 'Product list' (highlighted with a blue box), 'Mass create / update product', 'Export product', and 'Change history'.

Step 2

A table showing a list of products. The columns are Product, Selling price, Tiki's fee, Earning, In stock, Created date, and Status. The 'Action' column contains a dropdown menu with the following options: Details, Check inventory, Print mincode, Edit price (highlighted with a red box), Update Seller's inventory, Update, Chính sửa nội dung sản phẩm mẫu, and Change history.

Product	Selling price	Tiki's fee	Earning	In stock	Created date	Status	Action

The logo consists of the word "TIKI" in a blue, sans-serif font. The letters "I" and "i" have small circles above them, resembling eyes or antennae. The logo is centered within a white circle.

TIKI

The text "THANK YOU!" is written in a white, bold, sans-serif font. The exclamation point has a small yellow dot. The text is centered horizontally and overlaid on a large, faint, light blue watermark of the word "TIKI".

THANK YOU!
